Around the Fallengrund

Comfortable round tour around the famous Fallerhof

Taking fully developed streets you follow the labeling to Balzer Hergott, keeping steadily left on the main roads. After about 2km a small path diverts to the left, which brings you back in direction of your starting point. On the way you enjoy the gorgeous view on the two Black Forest farms called Unterer and Oberer Fallengrund. The so called Unterer Fallengrund is known from a TV series called the Fallers.
